

Transportation

UpROAR Leadership Academy provides transportation as a service to our cadets. This is a privilege; therefore, cadets are expected to conduct themselves according to the Code of Conduct and to practice such virtues as respect, responsibility, and kindness in all school settings - including on the bus. Following the Code of Conduct on the bus is essential not only for developing good character, but also for ensuring cadets' safety.

Cadets are taught to wait for and board the bus in an orderly fashion. The following rules are posted in the front and back of each bus, and cadets are expected to abide by them at all times:

1. Sit facing forward at all times
2. Keep hands, feet and mouth to yourself
3. Have quiet, friendly conversations
4. Stay seated until the driver gives directions
5. Follow directions the first time

If a student chooses to break a rule, the following consequences are applied:

First offense = warning will be issued

Second offense = a designated seat and conference with driver

Third offense = conference with transportation supervisor and a phone call home will occur
Fourth offense = written bus referral

1st referral = phone call home

2nd referral = 2-day bus suspension

3rd referral = 5-day bus Suspension, conference with student, parent, driver and behavior specialist

4th referral = 10-day bus suspension

After the Fourth bus referral, the cadet will receive a mandatory 10-day bus suspension and a meeting with the cadet, parent/guardian, driver, transportation supervisor and behavior specialist will be required in order to reinstate bus privileges.

Note: *Overriding of the above steps may be necessary for extremely disruptive behavior or crisis situations such as vandalism, extreme defiance/insubordination, or threat of a physical nature, as well as safe school issues.*
